Senator Campbell Files Bill to create State Plan to Address Care and Awareness of Alzheimer's Disease

AUSTIN – Today Senator Campbell filed Senate Bill 999, the Alzheimer's Awareness and Resource for Care Act. The bill creates a comprehensive state plan to address care, diagnosis, and awareness of Alzheimer's disease.

"Alzheimer's disease is one of the most serious public health crises facing our aging population. More than 400,000 Texans suffer from Alzheimer's and yet Texas is one of the few states without a current plan. Senate Bill 999 requires the state to formulate a plan every five years to include best practices on early Alzheimer's detection, risk reduction, training for healthcare professionals, and resources for caregivers." - Senator Donna Campbell
